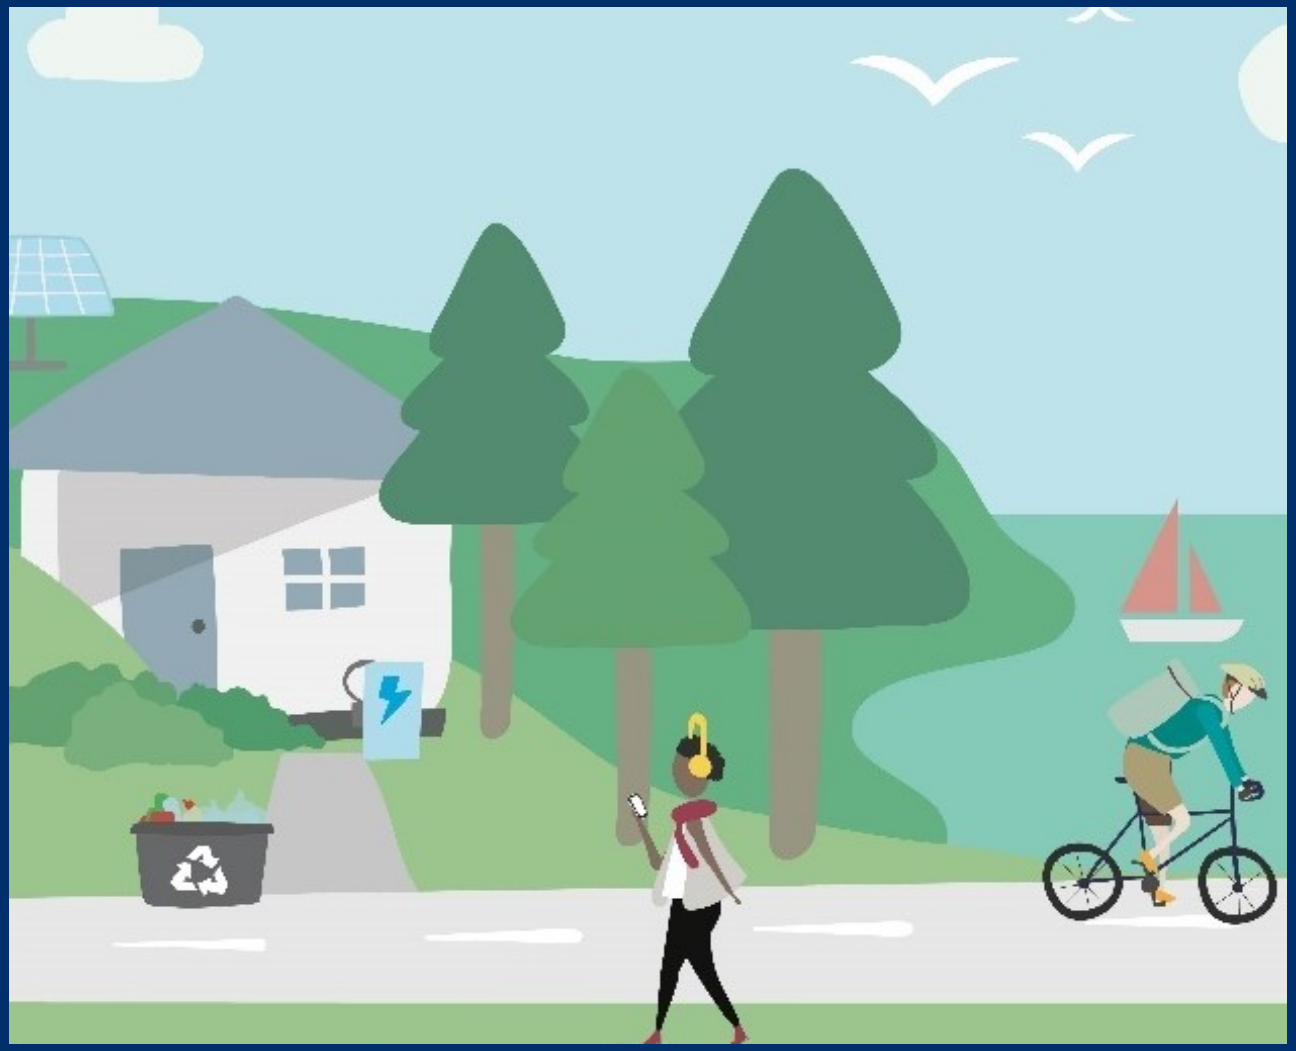
Climate Strategy and Project Officer



A Greener way for our Bay

A new framework and action plan

Background

- Torbay Climate Partnership (2021)
- Climate Conversation (2022)
- Developed the Torbay Climate Emergency Action Plan (2022)
- First Consultation (2023)
- New plan

New plans

- 2050 target for Torbay
- Framework – provides long term themes and trajectories
- Series of shorter Action Plans to deliver the framework
- New plan includes 29 immediate actions for 2024 – 2027

10 things

From the 29 actions in the full plan

10 things

1. Help more people live and work in homes and buildings that are energy efficient.

10 things

2. Make sustainable transport and public transport more accessible and affordable.

10 things

3. Ensure that roads and paths are safer and more accessible for cyclists and walkers.

10 things

4. Reduce waste and increase recycling.

10 things

5. Enjoy and protect our marine and natural environment.

10 things

6. Help green our businesses and create new jobs with the environment at their heart.

10 things

7. Ensure the community is at the heart of local action.

10 things

8. Monitor progress and set up initiatives that celebrate success.

10 things

9. Help everyone understand why change is needed and how sustainable choices will make a difference.

10 things

10. Work with nature and the local community to prepare for a changing climate.
