Criteria for evaluation of CIL Projects

The Steering Group of the Torquay Neighbourhood Plan Forum will evaluate Applications for funding from the Torquay portion of CIL allocations. Applications will be assessed against the criteria below.

Applicants may submit a Screening Application to obtain approval in principle, then follow with a detailed Application.

Priority:

. . . to address community inequalities across Torquay in place and communications (inter and intra community) and to improve the quality of life for people living, working and visiting in Torquay.

Excluded projects:

Highways projects, major infrastructure projects, normal Council functions, basic maintenance (unless a one-off refurbishment), and recurring costs.

Fundable projects:

- Sustainable Community Partnership systems
- Capital or revenue (limited to supporting sustainability beyond allocation period)
- Legal or professional input/advice

Evaluation criteria

- Weighting based on need and/or cost effectiveness (high need and low cost/high impact scores highest)
- Deliverable within 12 months
- Long lasting improvement
- Improves quality of life of the community
- Benefit to the wider community. Applications for sports facilities must demonstrate benefit to the wider community
- Tangible – seen and/or felt
- Supports community aspirations in the TNP
- Self-sustaining outcome
- Community consulted, ideally approved by Community Partnership
- Improves communication within and/or beyond the community
- Match funding or other funding available for a larger project
